Catherine served as Executive Producer and will present the film in person.

Wyler’s [stirring film](#) captures the courage and sacrifice of the pilots who flew the famous B-17 bombers during WWII.

It will be immediately followed by Erik Nelson’s [THE COLD BLUE](#), a new film he constructed using Wyler’s original film footage.

Congratulations to Catherine and Erik on showing both these film in Bologna.

I wish I could be there with you!
