## APPARATUS COLLECTION Blu-ray Finally in the Works

Dear Kickstarter Backers,  
My deep apologies to those among you who have waited so long and faithfully for your Apparatus Collection Blu-ray. We are not going to let you down, I promise.

### Blu-ray Update

New restoration software has enabled the IndieCollect team to go back and touch up all 10 of the films we restored. The next step is to transcode all 10 films, author the Blu-ray menus and test the Blu-ray. Then it can be sent to the replication house.

Meanwhile we have created first draft of the cover and spine design (below).

### Complimentary Tickets for Kickstarter Backers in New York City

We are offering our New York backers complimentary tickets to two Apparatus films restored by IndieCollect and screening as part of "Black 90's: A Turning Point in American Cinema" at BAM.

Please contact [bella.racklin@indiecollect.org](mailto:bella.racklin@indiecollect.org) to reserve yours.

#### ANEMONE ME (1990, 28 min.)

Directed by Suzan-Lori Parks and Bruce Hainley

In a village on the coast of Maine, a fisherman works to provide for his wife and their handsome blind son. One day, a beautiful merman (Peter Hermann) rises out of the sea and develops a strange, magical attraction to the boy. An Apparatus Production. New 4K Restoration by IndieCollect.

#### OREOS WITH ATTITUDE (1991, 30 min.)

Directed by Larry Carty

Richard (Keith L. Smith) and Janet (Jackie Roberts) are a young black couple desperate to make it in New York City. Inspired by Donald Trump's "The Art of the Deal" (which the lead character is reading), they take social climbing to new heights by adopting a white child. A hit at New Directors/New Films, this satire was declared "wickedly funny" by the New York Times. An Apparatus Production. New 4K Restoration by IndieCollect.

Thank you so much for your patience as we endeavor to finish the **APPARATUS COLLECTION** Blu-ray.

Best regards,  
Sandra Schulberg and the IndieCollect Team
