

# INDIECOLLECT

## **THANK YOU to all who attended our Open House on March 30th!**

The IndieCollect Team was excited to show you our new film restoration suite and answer questions about our 5K Kinetta Archival Scanner. We enjoyed discussing the “over-scanning” process and the many options available to create your 4K DCP and other deliverables.

### **NEXT SCANNER DEMONSTRATION**

Our next scanner demonstration will be held

**Thursday, April 27**

**3:00pm - 7:30pm**

Demos of our 5K Kinetta Archival Scanner will be featured at the following times, with wine & cheese to follow

- **3:30pm**
- **5:30pm**

To RSVP, please click [HERE](#).

### **INDIECOLLECT MEMBERSHIP & BENEFITS**

Our non-profit scanning and finishing services are available exclusively to IndieCollect Members. Membership is only \$100/year!

LET US HELP YOU meet your preservation and legacy challenges. If you would like more information regarding our membership program, please email [Zenith](#) and [me](#) with "IndieCollect Membership" in the subject line.

### **REUNION OF FRIENDS & COLLEAGUES**

The Open House turned into a reunion of old friends who have not seen each other in a long time. If you have already seen the scanner demo, please join us again for wine and cheese with friends, old and new!

A few of our guests who made it to last call!

Lastly, I want to introduce Zenith Haas, IndieCollect’s new Development & Communications Coordinator. You will be hearing from her often and she looks forward to meeting each of you!

Warm regards,  
Sandra and the IndieCollect Team
