

# INDIECOLLECT

## IndieCollect's 4K restoration of *In The Soup* premieres April 24 at Tribeca Film Festival!

Still from new restoration of *In The Soup*  
Steve Buscemi and Seymour Cassel

Come celebrate the 25th Anniversary of Alexandre Rockwell's *In The Soup*, newly-restored by IndieCollect in collaboration with the film's distributor, Factory 25.

The dazzling new 4K version screens on **Tuesday, April 24**, at **7:30pm** at the **SVA Theatre**, followed by a discussion with director **Alexandre Rockwell**, actors **Steve Buscemi**, **Jennifer Beals**, and **Sam Rockwell**, and cinematographer **Phil Parmet**.

Tickets available [here](#).

Steve Buscemi and Jennifer Beals

When *In The Soup* premiered at **Sundance** in 1992, it won the **Grand Jury Prize**. The New York Times hailed its "**exceptional visual beauty**" and "**furiously clever...offbeat characters**." Critics across the country showered it with more praise:

- "Each scene sparkles with unpredictable comic twists!" - Newsweek
- "Hilarious!" - TIME
- "Irresistible!" - Los Angeles Times
- "Magical!" - Rolling Stone

Tickets will sell out fast, so please book now. We look forward to seeing you at the cinema!
