Live Q&A with Jan Oxenberg & WICKED Writer Winnie Holzman

Tune in for the [post-screening dialogue](#) between Jan and Winnie Holzman, Thursday, Sept 17 at 7pm EDT.

Winnie Holzman is famous as the co-writer of WICKED, but at IndieCollect we know her as one of the movie's greatest fans. She and her husband Paul Dooley are donors to the restoration, as are Olivia Records founder Judy Dlugacz, Chris Silberman, Jason & Kathy Katims, and many others. Thank you all!

Rave Reviews

THANK YOU AND GOOD NIGHT has received remarkable reviews, including this most recent tribute by Richard Brody in the [New Yorker](#):

"One of the most important recent film restorations [by IndieCollect], of Jan Oxenberg's wildly imaginative personal documentary *Thank You and Good Night* from 1991, is resurfacing...The movie savors the intimate and the anecdotal even as it leaps into grand metaphysical theatre."
