

# INDIECOLLECT

**Happy New Year!**

**Thanks again to IndieCollect Board Member Ted Hope & Co-hosts**

To celebrate our 5th Anniversary, IndieCollect hosted a wide-ranging, off-the-record discussion with Amazon Studios' Head of Motion Picture Production, **Ted Hope** — our very own TED-Talk!

Some of the last revelers after our "TED-Talk"!

Many thanks to the more than 40 people who attended, to our hostess, **Jan Oxenberg**, and to our co-hosts:

**Bill & Laurie Benenson**  
**Sybil Robson & Matthew Orr**  
**Jane Mauer**  
**Ted & Vanessa Hope**  
**John Ptak**  
**Steve Wax**  
**Chaz Ebert**  
**Jim Janowitz & Karen Robson (Pryor Cashman LLP)**

Your participation made this a great event. Plus we raised \$20,000, a portion of which will go to matching our \$10,000 grant from the Hollywood Foreign Press Association to restore films by pioneers of Queer Cinema. Thank you, HFPA!

Stay tuned later this year for information about the Pioneers of Queer Cinema film tour that we are developing with our colleagues at UCLA Film & Television Archive and Outfest, with support from the Andy Warhol Foundation for the Visual Arts.

**Calling all West Coast filmmakers and film lovers —  
Join IndieCollect in 2019!**

IndieCollect members get access to the our full range of non-profit services, plus discounts to events such as our series of “Conversations With...”

If you're unsure about the best way to preserve your films and keep them accessible — whether they originated on celluloid, video or digital — you need IndieCollect. We are advocating to save and protect the cinematic legacy of all indie filmmakers. **Don't wait until it's too late. [Contact us now.](#)**

And if you are planning a trip to New York City, we'd be happy to arrange a scanning & restoration demo.

Best to you in 2019,

Sandra Schulberg, Israel Ehrisman, Bella Racklin  
and the rest of the IndieCollect Team
