

# INDIECOLLECT

Don't miss the screening of two 4K restorations — ***Lineage* (1979)** and ***The Meadows Green* (1974)** — created by IndieCollect on behalf of the Museum of Modern Art. Both films are in MoMA's permanent collection. We were honored to be chosen to collaborate with MoMA on these projects, working closely with MoMA's Film Collections Manager Katie Trainor.

## GRIFFITI:

### LINEAGE AND OTHER ANIMATION BY GEORGE GRIFFIN

Saturday, March 9 at 6:30pm

[Metrograph](#)

7 Ludlow Street, New York City

[Get tickets here](#)

Presented by guest curator David Schwartz, former Chief Curator, Museum of the Moving Image. See George Griffin and DeeDee Halleck in person as we pay tribute to them and their work:

*Rapid Transit* (1969, 3 mins)
