

INDIECOLLECT

ONLY 24 HOURS TO GO!

“I hope everybody donates to IndieCollect’s Kickstarter campaign because they are saving a lot of wonderful films and it’s such a worthy cause.” — Amy Robinson (*Mean Streets, After Hours*)

[We’re down to the last 24 hours](#). The response has been fantastic, but we can’t lift off without a final round of support. Many of you have already pledged — thank you so much!

VISIT THE SET OF A KILLER FILM

Breaking news! Christine Vachon has agreed to invite [one lucky backer + friend to visit the set of a Killer Films movie with drinks to follow](#). She has also agreed to sign 10 more copies of her book, *Shooting to Kill*. These rewards are limited, so please pledge now!

EVERY BACKER COUNTS!

We’re over 90%, which means we only need \$4,000 more! If you haven’t backed the campaign, [thanks for pledging now](#). Your grassroots support makes a powerful statement about the unique, refreshing, and essential voices of independent filmmakers.

There’s still time to reach out to [friends](#), [family](#), and the [most casual of acquaintances](#)! [Please invite everyone to join you](#) in supporting IndieCollect and the Apparatus filmmakers. Here’s a sample tweet you can use to get started:
